

# JNP-214

Tire Mounting Lubricant

REDUCE FRICTION | STOP RUST | BIODEGRADABLE

The Slickest Thing on Earth.

## PERFORMANCE PROPERTIES

- All but eliminates friction; saves on changer wear and repair
- All natural and biodegradable ingredients; non-toxic and odorless
- Will not rust rims
- Greatly reduces the chance of bead damage; helps better seal the tire to the rim
- Thick, viscous liquid – stays where you put it to do the job
- Can be used to aid in mounting all types of tires

JNP-214 is offered in case gallons.
